AGREEMENT FOR SERVICES

The services offered by the *Zenergy, LLC* (Zenergy) are for support of natural health, stress reduction and energy enhancement. These disciplines are not connected with traditional medicine as practiced by western medical doctors and hospitals. These services are entirely separate disciplines concerned with the correction of energy fields and the balancing of the bio-electric frequencies of the human system.

Services offered at Zenergy include, but are not limited to, scalar wave field therapy, infrared sauna therapy, pulse electromagnetic field (PEMF) therapy, frequency specific micro-current therapy, whole body vibration, and laser pain and inflammation therapy. There are few precautions or contraindications to any of these therapeutic modalities, but a listing of considerations is available at the front desk.

Traditional medicine is based on biochemistry. Our work is based on biophysics. Treatment modalities at Zenergy does not diagnose, treat, cure, mitigate or prevent any disease. Clients are advised that they should consult their own medical professionals for medical advice relating to any health concerns as they consider using therapies offered by Zenergy. No guarantees expressed or implied are made regarding any treatment modality at Zenergy. Results may vary significantly among individuals.

Any personal information discussed with any Zenergy staff member during your session is strictly confidential.

I agree to undergo bioenergetics therapy at my own risk. I further indemnify and hold harmless Zenergy or its' owners, Zenergy affiliates, officers, as well as any successors, assigns and executors, administrators, personal representatives, employees and heirs from any and all results of any therapeutic modality offered and / or received from Zenergy. I have been offered written information related to potential precautions and / or contraindications that might relate to any therapy I might consider at Zenergy. This agreement shall be unlimited as to amount or duration of any Zenergy therapy.

The therapies and services offered by Zenergy may require the touching of a client's body by the practitioner, only for the practical reasons of connecting equipment, etc., with the obvious exception of massage therapy.

Acceptance of potential exposure of Coronavirus/COVID-19: Zenergy adheres to all standards of Kentucky Healthy at Work protocols. I agree that there could be risk of exposure to Coronavirus/COVID-19 by engaging in public settings including participating in the services offered at Zenergy and agree to hold harmless Zenergy, LLC, its employee(s) and practitioners in the event of experiencing symptoms and/or testing positive for the virus.
